Are there any other reasons why you find it difficult or impossible to use public transport?

Will you need help getting from your front door to our vehicle?

Can you travel in a car?

If you have a registered sight impairment do you use a guide dog?

If you have speech or hearing difficulties please tell us what they are below.

Do you use a walking aid?

Yes - I use a walking frame

Yes - I use crutches

Yes - I use a zimmer frame

No - I don't use a walking aid

If you use another sort of walking aid please tell us what it is.

Do you use a mobility scooter?

If you use a scooter please provide details of the make and model. We need to ensure that your scooter can be transported safely and unfortunately we are not able to accommodate Class 3 scooters which are not designed for use on the road.

If you use a mobility scooter...

...who is it made by?

...what is the model number?

Please note that for safety reasons it is not possible for you to remain on your scooter on the passenger lift or inside the vehicle. For this reason you will need to be able to use the passenger lift or the side entrance independently.

Do you use a wheelchair?

Can you transfer to a bus seat?

What sort of wheelchair do you use?

A manual wheelchair

An electric wheelchair

If you use an electric wheelchair please provide details of the make and model. We need to ensure that your wheelchair can be transported safely.

If you use an electric wheelchair...

Who is it made by?

What is the model number?

Please note that it will be necessary to disengage the drive clutches on the wheels of your electric wheelchair when boarding and alighting.

Is there anything else we need to know to ensure that you are transported safely and comfortably?
